1. All scholarships are processed as MCMA tuition credits and will be applied against tuition fees during the 2018-19 academic year for the discipline for which the scholarship was awarded. Tuition credits must be applied against a full year (34 – 38 weeks) of individual instruction at the Conservatory for lessons on the instrument for which the scholarship was awarded. All MCMA tuition scholarships are open to all students of music. Scholarships must be applied to 2018 – 19 registration by JUNE 30, 2018. If registration for lessons has not taken place by June 30, 2018 it will be assumed that the winner has declined the scholarship and the scholarship will be awarded to the runner-up in that specific category.
2. Candidates must provide the adjudicator with the original score of the work they will perform at the time of audition. No photocopies will be accepted. Music will be returned to the candidate immediately after their performance.
3. All students auditioning for an MCMA General Scholarship must include at least one selection from the Royal Conservatory of Music or Conservatory Canada Syllabi in their musical selections. (MCMA Specialized Scholarships are excluded from this requirement; please see below for more information.)
Once an application has been submitted, no changes to repertoire will be permitted.

4. Letter grades will be assigned to each performance. Assessment is based upon outstanding performance in the audition, and awards are subject to the successful candidate achieving a minimum mark of A or better.
5. Audition dates for each scholarship category and audition times for each applicant are determined at the sole discretion of the Conservatory. Each applicant will be assigned a specific audition time by the Conservatory. Candidates must be available for their audition on the dates and times assigned, and must arrive at the Conservatory a minimum of ten minutes prior to their scheduled audition time. Failure to do so may result in disqualification from the audition.
6. Students can win the same scholarship 2 years consecutively and then must allow for a grace period of one year before they are eligible to receive the same scholarship. During the grace year, students may apply for the same scholarship to receive an adjudication only.
7. The decision of the adjudicator is final.
8. **Candidates must make their own arrangements for accompaniment should one be required for their audition. The candidate is solely responsible for all accompanist fees.** The MCMA will provide a list of accompanists at the request of the student, however details regarding rehearsals and payment only be made between the student and accompanist.
9. **Application deadline is March 24, 2018.** Scholarship auditions will be held **April 29, 2018**, from 10:00am – 6:00pm. Audition times will be allocated to each applicant. All scholarship winners will be expected to perform in the Scholarship Winners' Recital on **Sunday, May 27, 2018 in Convocation Hall at the University of Winnipeg.**
